Dear Mariner Families,

Greetings and happy summer! I hope everyone is enjoying this time off! Although it feels like the school year has just ended, we are already preparing for the next one. In addition to welcoming our new students and families, Moreau is thrilled to welcome several new faculty and staff members for the 2021-2022 school year. As the new school year approaches, you will receive biographies and more details about these talented individuals who join us in our commitment to outstanding achievement through the academic, social and spiritual formation and transformation of our students.

To help everyone have a successful start, we share some very important information in this booklet. Please read this information carefully and note the dates and deadlines as they apply to you. There is a special section, beginning on page 11, dedicated to our new students.

We will begin our school year on Friday, August 6th with our Frosh Orientation and Picture Day (7:30 a.m.-2:45 p.m.). Our first full day of school for everyone is on Tuesday, August 10th. While Picture Day for Frosh will take place on their Orientation Day, the 10th & 11th grade photos will be taken on Wednesday, August 11th. Senior photos will be on July 29th & 30th by appointment only.

Since we could not officially welcome the Class of 2024 last school year, we will have an abbreviated Sophomore Orientation on Monday, August 9th, from 12:00 p.m.-3:00 p.m., along with our Transfer Student Orientation. Parents and guardians are invited to attend to meet with members of the Leadership Team.

Please remember that all students are required to be in compliance with our Appearance Code (p. 9) on their first day of school. Apparel can be purchased from SportsPacks by visiting SportsPacks (www.sportpacks.com/moreaucatholic). We invite all parents and guardians to join us for our Opening of School Liturgy on Wednesday, August 25, 2021 at 9:40 a.m. We will be celebrating the Mass of the Holy Spirit with our community of faith and all are welcome. For additional event dates, please refer to page 4.

Back to School Night will be held on Thursday, August 26th. This is an important night for our entire community to continue to form relationships and build partnerships; all parents and guardians are strongly encouraged to attend. I look forward to seeing you there!

Each year, Moreau Catholic celebrates one of four different themes that connect to our Holy Cross charism: Building Respect, Educating Hearts & Minds, Being Family, and Bringing Hope.

This year’s theme is Educating Hearts and Minds and we are committed to following Blessed Basil Moreau's directive to “always place education side by side with instruction; the mind will not be cultivated at the expense of the heart.”

Whether you are new to our Mariner family or have been members for generations, we are honored to welcome you home. I am excited to serve as your next principal and am incredibly grateful to you for the myriad gifts you bring to Moreau Catholic. We look forward to partnering with you to form our students and transform our world. May the remaining summer days rejuvenate and inspire you. Until then, God bless and take good care! See you in August!

With fondness and appreciation,

Colleen Galloway ’77, Principal

SUGGESTED SUMMER READING

Here at Moreau Catholic, the enjoyment of reading good books doesn’t stop on the last day of school. Just like any sport or musical instrument, reading skills must be practiced in order to stay sharp and improve, and reading for pleasure is one of the best exercises a student can do for their brain! Summer is a great time to discover new stories filled with interesting characters and places that just might make your leisure time even better! Please visit moreaucatholic.org/summer-review

**APPEARANCE CODE GUIDELINES**

In keeping with its mission statement, Moreau Catholic High School expects its students to demonstrate good taste and modesty in their appearance as appropriate to an educational environment. School approved apparel fosters the idea that a student’s uniqueness comes from within, not from his or her appearance. In addition, dress regulations contribute to a positive school learning environment, and lend dignity and pride to the school community. The school faculty, staff, and leadership team, in consultation with our Deans and Principal, are responsible for the enforcement of our appearance code and appreciate your support.

NEW MCHS PARENT/GUARDIAN ORIENTATION — AUGUST 6TH

Parents/guardians: Join us for this special day while your students are at their Orientation Day on August 6th.

This program is designed for the parents/guardians of 9th grade and transfer students to connect with one another, as well as with the Moreau Catholic teachers and administrators who will play an integral role in your student’s high school experience. Parents/Guardians will attend three different workshops. There are two mandatory workshops and a third that is your choice.

Please sign up for workshops by Friday, July 30th. Sign-up space is limited for each session, so be sure to sign up soon in order to get your top choice! If more than one parent is planning on attending our parent orientation program, you will need to complete TWO separate registrations.

Sign up at moreaucatholic.org/admissions/visit/parent-orientation/

Mandatory Sessions:

- **Canvas and PowerSchool: Creating Your Parent/Guardian Accounts**
  
  Parents will be guided through the process of creating their accounts for Canvas, our learning management system, as well as PowerSchool, our student information system. Please bring a laptop or a tablet device as we will create your access accounts during this session.

- **APPRYSE, Mariner Mindset & Athletics: Everything you Need to Know**
  
  Parents will be guided through the process of creating their account for APPRYSE, our database for student physicals and emergency forms. We will also go over what it means to be a Mariner. And lastly, we’ll cover athletic requirements for NCAA, UC, and MCHS.

Please select one of the two options below for your additional session:

- **Technology and Media Arts (TAMA) at Moreau**
  
  Experience what our students create and share with the student body through our on campus TV show MCTV, how our yearbook comes together, and learn about our hands-on courses that delve into design, programming and the skills needed for careers in computer programming, multimedia production and digital design. This session is led by Paul McKenna ’83, Gary Gongwer, and Elizabeth Zepeda ’03.

- **STEAM Programming at Moreau: The Maker Lab and Design Studio**
  
  Learning by doing: build a robot, design a video game, 3D design and print objects—see how Moreau Catholic is leading the way in STEAM technology while engaging students. Learn about our innovative science department and our latest technology. Presented by Jessica Chun, Michael Tobler, and Enrique Henriquez.
